Workshop with Jewels

JEWELS' FAVORITE "GO-TO" MOVES

2:00—4:00 PM (at 1st Congregational Church, before the Hafala)

Jewels' favorite "go to" moves... the moves I use on a consistent basis which form the core moves I use in my dancing. Everyone has their favorite moves which become second nature to their dancing and can be put into their dance without thinking. Jewels will share her favorite moves that she uses. These will also include veil moves, so bring your silk veil. Veils will be available to purchase from Hasani's Emporium. Visit www.jewelsdances.com
